

EASY SET

Live Animal Cage Trap

Models 1084 & 1085

Caring Control for Pets and Wildlife

1084

1085

Features

- ♥ Set and Release mechanism, located on top of trap, limits interaction with animal.
- ♥ Trap can be set with one hand.
- ♥ High tensile wire mesh makes trap more durable without making it heavier.
- ♥ Animal-safe design: rolled metal edges and snug fitting doors eliminate sharp surfaces and gaps that could harm the animal.
- ♥ Model 1085 ideal for catching: Raccoons, Cats, Groundhogs, Nutria, Armadillos and similar-size animals.
- ♥ Model 1084 ideal for catching: rabbits, squirrels, skunks, and similar-size animals

Advantages

- ♥ The Safest, Easiest live animal cage trap on the market.
- ♥ Unique, revolutionary design with new set and release mechanism.
- ♥ Designed and tested by professional trappers.
